#### **MAKING IT UP AS ONE GOES ALONG**

[Edited: 10.28 am, 7 March 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of *satya-advaita yoga*, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 345 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality'. But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words *Samadhi* and *Maha-Samadhi*. I wish to make it clear at this point in time. For me *Samadhi* seemingly started on completion of my Book *Truth-accommodation (Satya-advaita)* and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best *bhakti* that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as *sanatan dharma*, that is to say karma in *sanatan dharma*.

*Maha-Samadhi* is total Realisation when one does stop one's karma in *sanatan dharma* and lives in *Yoga-ananda*, the *yogadaan* emanating from one's dedication to the comprehensive approach to yoga.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this had not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.

Oh Hi there Keyan!

**08.55 am (UK-Time) 07 March 2025**

An email came into the Yahoo Account from Reed recruitment company asking if I would like a Team Member working for me, not offering me job. I deleted it out of my sight as the reflection of a way to get me to correspond with them, while the Court of Central London still had the rest of Friday to deal with the correspondence of this morning; and the other State-agents could get at me used by the State.

I edited the old version of 'Making it up as one goes along' Forum post in Daily Bulletin and in this document as something that I should be working on.

During my late morning walk, I met two Jehovah Witness women who had knocked on our door but Rups had not opened the door to them. I was sociable and we talked about the wars in the world, They went on about the Kingdom of Heaven that the Bible talks about. I was thinking if it was true that the whole world came together in peace as God's Kingdom on Earth in my own deluded way, perhaps me as the Kalki purnavata had been given the mission of constructing The Conservative Libertarian Society for all nation. I did not tell them that of course.

Dear Financial Ombudsman

Not to worry, but thank you for confirming that E35YM660 PROCESSING WILL ALWAYS REMAIN INCOMPLETE without your help.

3. I believe that we are at a point in history where we need to take urgent decisions on the direction that the United Kingdom should adopt going forwards.

4. The way I see things this morning having started Living from the Truth is that we in the United Kingdom have choices from which to take a decision as to the road ahead: either we live to a dictatorial Monarchy as now (what I have described as being constructed by Satan-evil elements of a bygone age) or we have an ornamental Monarchy as set out here: <https://www.theconservativelibertariansociety.com/about-1> which essentially retains King Charles III and then Prince William and then Prince George etc as the next in line Cultural Head of the nation, or we just carry on as we are now and rejoin the European Union with its Court institutions such as the European Court of Justice, the International Criminal Court, and European Court of Human Rights to monitor the violation of the rights of human beings by the judicial structures of the United Kingdom as a final resort for people to take their cases to.

5. The special relationship of the United Kingdom with the United States of America is already under strain proving to be not what it has been cracked up to be. Our economy would seem to be better off with a bias in Europe.

6. I believe in consensus politics so that we discuss these matters. Will you therefore join me in my campaign to bring truth, justice and democracy into the world through memberships of Conservative Libertarians (UK) at <https://app.joinit.com/o/conservative-libertarians/> and of Conservative Libertarians (Global) at <https://knowledgefoundersunited.com/> ?

Terms and Conditions

By participating in PayPal's Reward Programme (the "Programme"), you agree to the following terms and conditions ("Terms").

1. Offer Period: The Programme starts at 12:00:01 a.m., Greenwich Mean Time ("GMT") on 20 February 2025 and ends at 11:59:59 p.m. Greenwich Mean Time ("GMT") on 24 March 2025 or until 120,000 Rewards have been rewarded, whichever happens first (the "Offer Period").

2. Redemption Period: Reward (as defined below) will expire 30 (thirty) calendar days after the date the Reward is made available in the Eligible Participant's Valid Account.

3. Eligible Participant: To be an eligible participant (an "Eligible Participant"), each participant must: (1) be eighteen (18) years of age or older; (2) be a resident in the United Kingdom; (3) have a United Kingdom personal PayPal account in good standing (a "Valid Account") during the Offer Period and Redemption Period and (4) receive an authorised invitation to participate in the Programme ("Invitation") (eligibility for those who receive the Invitation will be determined solely by PayPal); and (5) download the PayPal app and log in. The Programme is limited to the first 120,000 Eligible Participants who successfully claim the Reward on a first-come, first-served basis. For the purposes of this paragraph, "good standing" shall mean the Eligible Participant is not in breach of the Terms and the User Agreement, and will continue to comply with the Terms and the User Agreement for the duration of the Programme.

4. How it Works: To qualify for a Reward, Eligible Participants who receive an Invitation to participate must successfully complete the following during the Offer Period:

- a. Download the PayPal app; and
- b. Once the PayPal app is downloaded, Eligible Participants must log in to their Valid Account on the PayPal app.

5. Reward: The Reward amount is £5.00 GBP (five pounds) (the "Reward"). Once the steps described above are completed and verified, the Reward will be made available in the Eligible Participant's Valid Account within approximately 14 (fourteen) days after verification of Eligible Purchases but may be available sooner. Eligible Participants will also receive an email informing

them when the Reward is available in their Valid Account. During the Offer Period, there is a limit of 1 (one) Reward per Valid Account. Reward will expire 30 (thirty) calendar days after the date that the Eligible Participant receives the Reward in their Valid Account. There is a max of 120,000 Rewards available. Use of the Reward will be reflected on the Eligible Participant's PayPal receipt and/or in the transaction details of their Valid Account. The Reward does not constitute electronic money, is not deemed part of your PayPal balance, has no cash value and cannot be redeemed for cash, used to purchase gift cards or transferred out of the Eligible Participant's Valid Account. The Reward is separate and different to PayPal balance. Should the total purchase amount exceed the Reward value, then you must add a payment method to your Valid Account in order to fund any remaining balance and redeem the Reward.

6. Receiving and using Rewards: A Valid Account must remain in good standing from the time of participation through Reward fulfilment, as reasonably determined in PayPal's reasonable discretion. Subject to giving reasonable notice to the relevant Eligible Participant where possible, PayPal may provide an alternate Reward of equal value if it is unable for any reason to fulfil the Reward. PayPal reserves the right to limit, cancel, suspend or modify this Programme in part or in its entirety at any time. If we do so, we will provide you with reasonable notice. PayPal reserves the right to review any account or transaction related to this Programme, for any reasonable cause and delay completion of the Reward. Before delaying or cancelling the Reward, PayPal will give the Eligible Participant reasonable prior notice, where possible and practicable, and the possibility to object to the decision. If item(s) purchased using a Reward are returned and the Reward has expired, PayPal will first refund the money spent to the payment method used to complete the Eligible Reward Purchase and purchase amount in excess of the money spent (i.e. the value of the Reward) will not be refunded. If the Redemption Period has not expired, the value of the Reward will be returned to the Offers section of the Valid Account and will be available for use by the Eligible Participant up until the Redemption Period. Similar offers may run at the same time; qualification for this Programme does not constitute qualification for any other offer. PayPal is not responsible and/or liable if any e-mail, Reward, purchase, referral or Programme-related materials or correspondence are lost, fraudulent, stolen, late, incomplete, illegible, interrupted, delayed, altered, defective, misdirected, tampered with, or irregular in any way or if any Eligible Participant's e-mail address, Valid Account, or other contact information does not work, is deleted, or is changed without participant giving prior written notice to PayPal. The Programme is void where prohibited or if the Eligible Participant's account or transactions are fraudulent, abusive, not completed through legitimate channels, or irregular in any way. Certain offers may not be transferable. Participants may access a copy of PayPal's privacy policy available [here](#) or contact PayPal if they have questions or requests about the exercise of their rights, privacy and data protection. Any questions relating to the offer will be resolved in PayPal's reasonable discretion and its decisions related to the offer will be final and binding.

7. Governing law and jurisdiction: These Terms are governed by the laws of England and Wales. By participating in the Programme, Eligible Participants agree to be bound by these Terms and the User Agreement. The courts of England shall have non-exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these Terms. This does not limit your rights under mandatory statutory consumer protection regulations and for you to bring proceedings before the courts of the place where you are domiciled.

8. 3. I believe that we are at a point in history where we need to take urgent decisions on the direction that the United Kingdom should adopt going forwards.

4. The way I see things this morning having started Living from the Truth is that we in the United Kingdom have choices from which to take a decision as to the road ahead: either we live to a dictatorial Monarchy as now (what I have described as being constructed by Satan-evil elements of a bygone age) or we have an ornamental Monarchy as set out here: <https://www.theconservativelibertariansociety.com/about-1> which essentially retains King Charles III and then Prince William and then Prince George etc as the next in line Cultural Head of the nation, or we just carry on as we are now and rejoin the European Union with its Court institutions such as the European Court of Justice, the International Criminal Court, and European Court of Human Rights to monitor the violation of the rights of human beings by the judicial structures of the United Kingdom as a final resort for people to take their cases to.

5. The special relationship of the United Kingdom with the United States of America is already under strain proving to be not what it has been cracked up to be. Our economy would seem to be better off with a bias in Europe.

6. I believe in consensus politics so that we discuss these matters. Will you therefore join me in my campaign to bring truth, justice and democracy into the world through memberships of Conservative Libertarians (UK) at <https://app.joinit.com/o/conservative-libertarians/> and of Conservative Libertarians (Global) at <https://knowledgefoundersunited.com/?>

Have you had an outrageous letter from your water company yet, Shantanu? The water bill hike is about to hit millions of us - hard. Some Thames Water customers are already getting slapped with increases of nearly 50%! [1]

And why? Because these private water companies have racked up over £60 BILLION in debt through sheer greed and incompetence. [2] Now, instead of taking responsibility, they expect YOU to bail them out. Enough is enough!

181,000 furious customers have already signed our petition demanding that the Government step in and force these private companies to fix their own mess. But your name is still missing.

So Shantanu, will you sign now? If everyone reading this takes action, we'll smash our 250,000 target TODAY and send an unmistakable message: No more bailouts for greedy water companies!

YES, I'LL SIGN

I'm not signing because...

Thanks for your support,

Mike, Tash and the 38 Degrees team

Proud of my wife's new initiative to open up the doors of Downing Street to young people from across the country. Improving education is a big reason I entered politics, and I look forward to seeing many more schools here throughout this term.

This is a great way for the 'First Lady' of the United Kingdom to support her husband and the nation.
